

The president and equality chief of the Consell de Formentera, Alejandra Ferrer and Vanessa Parellada, respectively, were joined today by Maria Dolores Fernández Tamargo, director of the group Espai Dones, in putting their signatures on a collaborative agreement unlocking €3,000 to promote equality and prevent gender violence on the island in 2020.

Espai Dones pledges to develop programming to promote and enrich the struggle to win gender equality and prevent gender violence. To get there, the group will pilot educational programmes concentrating on equality and women's rights.
