

On the occasion of All Saints' Day, the last two days of October and the first of November, the Sant Francesc municipal cemetery will observe extended hours, opening from 9.00am to 9.00pm, with doors staying open through the night on from 31 October to 1 November. Normal hours –9.00am to 6.30pm– will be observed the days immediately before and after the holiday.

The Formentera Office of Social Welfare reports that, per health authority recommendation, preventive measures will remain in place at cemetery entrances, and islanders are encouraged to anticipate their normal visit to avoid queues at entrances and privilege increased intimacy.

2 November will come with the traditional run of *misses de difunts*:

- 10.00am. El Pilar Parish Cemetery, officiated by mossènyer Miquel Àngel Riera.
- 11.00am. Sant Ferran Parish Cemetery, officiated by mossènyer Vicente Baudilio Piedra.
- 12 noon. Municipal Cemetery of Formentera, officiated by mossènyer Miquel Àngel Riera.
- 7.00pm. Sant Francesc Parish, officiated by mossènyer Miquel Àngel Riera.
