

With the photo contest of the Consell de Formentera's music and dance school approaching its second year, the Escola de Música i Dansa has announced that this year's competition is going virtual.

Photo submissions will be accepted on social media site Instagram. The contest is open to all Formentera residents, not just those enrolled at the school. Entries, which must be contestants' original work, should encapsulate the idea of "Music and/or dance in confinement". Photos will be judged based on creativity and resonance with the theme.

To participate:

- Follow the Escola Municipal de Música i Dansa de Formentera (@escolamusicadansaformentera)
- Publish your photo, noting your full name followed by #EMMDFConcursFotografia2020
- Tag @escolamusicadansaformentera in the photo
- If you don't have Instagram you can make your submission using a friend or family member's account (ask for permission first)

Submissions will be accepted between 1 and 31 May 2020. A total of three winning entries will be picked and later displayed as part of the school's upcoming photo exhibit.
