

Firefighters learn to respond in traffic accidents

Thursday, 15 April 2021 14:18

12 to 14 April, the Formentera fire brigade invited specialist firm Emergency Staff to train firefighters to respond in traffic accidents.

The course was part of the brigade's ongoing capacity building and trained participants in new techniques removing trapped occupants from damaged vehicles.

The Consell paid €3,750 for the training programme.
